Jill,

I received a letter saying that I must notify you for a request for appointment or reappointment to the River Conservancy. I do not know when my appointment is up or when I was reappointed, so I wouldn't even know when to make the request. I serve on the River Conservancy board at the will of the County Board. If my term of appointment is up, I request reappointment to the River Conservancy if the County Board has no other person requesting appointment or if the County would like my continued participation on the River Conservancy Board.

Thank You,

Anthony Sloan.
