September 25, 2019

Dear Chairman Kroeschen,

Thank you so much for your past support of the region's Economic Development District, (EDD) and we hope you will continue to support the ongoing efforts for the coming year.

What's been happening!

The past year has been both busy and challenging but also it has been very exciting. NCICG EDD and staff continue to be committed to meeting the needs of local officials and the success, sustainability, and growth of our entire region. Here are a few things we have done in the past year to support that commitment:

- Application for the City of Streator was awarded giving \$20,000 for a Streator Incubator Feasibility Study. This study is required in order to apply for possible capital funds.
- Promoting Opportunity Zones as an incentive in selected communities
- Hosted the Economic Development Summit on July 18, 2019 at Hall High School
- Coordinated regional meetings with communities for utility and energy incentive programs
- Hosted Ameren Lunch and Learn Energy Efficiency Program for Marshal, Stark and Putnam Counties
- Submitted a Minority Owned Business application to (DCEO) for the Toluca Supermarket
- Hosted, in conjunction with EDA, the First Regional Economic Diversification Summit (REDS) at IVCC
- Facilitated meetings with USDA and DCEO for Ottawa, Marseilles, and Buda
- Hosted 8 webinars throughout the year

Contact us!

Please visit our website at www.ncicg.org to view our past and current projects, review the CEDS plan, review the current Selected Federal Funding Announcements, and also to keep up on all news and information regarding economic development. Please feel free to contact us by phone or email with any questions, plans or ideas you may have.

Thank you again for your continued help and support with the economic development effort for the region!!

Sincerely,

Duane Calbow,
Economic Development Planner
