

ORDINANCE NO. #19-910

Resolution Awarding Tandem Axle Dump Truck and Snow Plow

WHEREAS, bids were received by the Marshall County Engineer on December 9, 2019, after advertisement on November 7, 2019;

WHEREAS, seven (7) bids were received, with the base bid ranging from \$159,280 to \$179,681;

WHEREAS, the County Staff and Road and Bridge Committee evaluated the bids and have determined that the most advantageous bid is the second low bid for a Mack Granite cab and chassis, since the last truck purchased by the County was a 2018 Mack Granite and it has performed well and we will be able to take advantage of having the same truck, yielding potential operation and maintenance efficiency and knowledge;

WHEREAS, the County Staff and Road and Bridge Committee deem that the delayed delivery date of October 1, 2020 versus the specified July 15, 2020 delivery date is acceptable, in that it will allow a savings of \$9,717 and allow us have the new truck available for the next winter season;

WHEREAS, funding will be provided by the Engineering Revolving Fund.

NOW, THEREFORE, BE IT ORDAINED that the Marshall County Board award the new Tandem Axle Dump Truck and Snow Plow to Truck Centers, Inc., Mack Sales & Service of Decatur, Inc., Decatur, IL 62521 for a 2021 Mack Granite GR64F9 (\$97,387.00) and Monroe Truck Equipment, Monroe, WI (\$62,914.00) for a Crysteel Gladiator and Equipment, for a total base bid of \$160,301.00.
