Hi Melody:

Sorry, for the delay in getting back to you regarding my reappointment to the Board of Review. I just noticed I missed getting back to you before the County Board meeting on the 11th. I hope it's not too late to request my reappointment to the Board of Review. If so, I do apologize for the inconvenience and the delay. Work has kept me very busy at this time.

If it's not too late and I am still under consideration, I would like to serve another term on the Board of Review.

Sincerely,
Teri Whilledge
