Hi all,

I have some unfortunate news. After much consideration over the last week with my business partner, I have decided to step down from my trustee spot on the board. Due to unprecedented activity in the real estate/refinancing market and having just myself and another person in the office, my time has been severely restricted. So many new orders have come in at work that we have had to also work from home in evenings in order to meet deadlines. Because of a potential legal liability I have in meeting a contract deadline for one of our major real estate projects, I feel that I cannot devote the time necessary to fulfill my trustee's duties adequately. Thank you for allowing me to be of service to the LS Fire Dept. over the last 3 years.

Hi all,

I have some unfortunate news. After much consideration over the last week with my Wife and Employer, I have decided to step down from my trustee spot on the board. I will have all my materials at the Bank for someone to pick up or I can drop them by the Fire Department. Thank you for allowing me to be of service to the LS Fire Dept.
